

**Citizen Corps Program  
Strategic Implementation Plan  
(\_\_\_\_Major City or County)**

The mission of Citizen Corps is to harness the power of every individual through education, training, and volunteer service to make communities safer, stronger, and better prepared to respond to the threats of terrorism, crime, public health issues, and disasters of all kinds.

This strategic planning activity can help you to develop a useful framework for both program planning and implementation. This document will also assist CSC staff to inform policy makers about the future activities and needs of Citizen Corps Programs as well as help CSC staff to provide more responsive guidance, technical assistance & support. Complete this document through the efforts of your county or major city Citizen Corps Council.
